Dear Mr. Wildgust:

Isn't it wonderful when you can see your generosity in action?

Thanks to the ongoing commitment of donors like you, our hospital has recently reached our first anniversary of our new North Wing—the largest single project to impact healthcare in our Region in more than 50 years.

New Operating Rooms, Emergency Department, Surgical Services, Medical Imaging and Central Processing Department (for sterilizing surgical instruments), along with our new Paediatrics, Critical Care Unit, Inpatient Mental Health and expanded Mat Child Unit, mean a huge step forward in our ability to care for you and your loved ones.

But not only are the facilities new, we've also been able to purchase \$11 million worth of new state-of-the-art tools and technology, further ensuring we're able to provide the quality, compassionate care you deserve.

And thanks in part to your generosity, our Heart and Soul Campaign has reached and exceeded our \$20 million Campaign goal in cash and pledges! While that's a tremendous milestone, it also means we must reach out to our donors to ensure they understand how vital their ongoing pledge commitment truly is.

Your generosity—for which we're truly grateful—has helped us reach our goal. And your continued support is just as important, ensuring we can continue to meet the needs of you and your families into the future.

There is hardly an individual in our community; barely a family in our region who won't be touched by the improvements we've made—with your help—in the months and years to come.

Please find a receipt in the amount of \$325.00 for your pledge payment towards the RE/MAX a-b Realty Ltd. Heart & Soul Pledge. Your support truly makes a difference. Thank you for giving the gift of health.

Sincerely,

Andrea Page
Executive Director

Thanks ever so much!
